DEFENDANT'S SUMMARY OF CASE:

(This section to be completed by or on behalf of defendant)

The plaintiff was pulling out of a parking spot at the shopping centre on Burwood Road. I was sitting in the aisle of the carpark, waiting for him to pull out. He didn't look around properly before he started to pull out and he reversed so quickly, I was unable to move out of the way before he backed his car into my car. As a result my car has also sustained damage and will need repair.
